

FEED MIXER

**MIN-C**

FEED MIXER  
**MIN-C**

The Incomagri MIN-C stationery feed mixer is ideal for mixing dried products in the balanced ration preparing for the daily supply to livestock. It is simple and easy to operate and guarantees a practical and homogeneous mixture.

The best option for the rancher in pasture supplementation, semi-confinement and confinement.

- /// Totally made in carbon steel
- /// Supported shaft on self-adjusting shielded bearing
- /// Lower (standard) or higher engine base versions
- /// Electric motor base or optional axle kit for diesel or gasoline drive
